Scheduled times at points in the STATE OF INDIANA, SOUTH OF MARION AND LOGANSPORT will be one hour earlier than shown herein.

ISSUED BY

ASSISTANT VICE PRESIDENT

TRANSPORTATION

PHILADELPHIA, PA.

Latest Supplement

Issued OCTOBER 1, 1976

This book contains schedules and instructions governing the consist, makeup and operation of through freight trains, also scheduled connection between freight trains. While these schedules do not constitute a guarantee of service, it is essential that traffic be moved as prescribed

When fluctuations in daily volumes indicate the annulment of trains prescribed or the operation of extra sections, such arrangements will be worked out in advance with the Freight Train Operation Office in Philadelphia.

Supplements, revisions or corrections to this book will be issued periodically and must be inserted promptly upon receipt. No other changes in the schedules, consists or makeup of through freight trains shall be made except by direction or authorization of the Asst. Vice President Transportation.
