NOTES

1. Reflectors (Scotch®) Switch Target shall be used in accordance with CONRAIL Specifications for Construction and Maintenance of Track - M 94A and when not prohibited by Public Authorities having jurisdiction.

2. All corners and edges of mast and targets shall have a smooth finish.

3. The aluminum surface of the targets shall be thoroughly cleaned with Oscolite 331 before the application of Scotch® by the use of heat (to activate the adhesive) and vacuum pressure (to assist the material to the aluminum surfaces).

4. Case should be exercised when fitting targets into mast and fastening them to the mast to reduce the possibility of damaging the component material.

5. Targets shall be of 0.081 G 001 - T6 aluminum sheet.
