

Ohio Central System Southern Lines

Notice No. 4

Effective 0001 Hours, Thursday, June 3, 2010

1. Concrete Barriers Installed Behind WF

Four concrete barriers have been placed behind the WF office in Newark. Please be advised that using the back of the WF building as a circle drive is no longer possible.

2. 200 Day Injury Free Award Order Placement Procedure

For our 200 day celebration our award will be:

Reflective rain gear (pants & jacket)

- Or -

2 polo shirts with the embroidered color "OC" logo

Each employee will need to report to their supervisor their preference. If no preference is received by the employee, the last known size will be used for their reflective rain jacket and a guess on the pant size.

Reflective rain gear:

Jacket: The jacket will come in the standard sizes comparable to that of our reflective shirts we have ordered in the past. Please order accordingly.

Waterproof pants: The pants have an elastic waist along with a draw string. Sizes are an average of what they are. They will be expandable a little beyond what is listed below, but please use it as a guide when ordering your size. Please use the **letter equivalent** when listing your pant size. (i.e. XL, 3X, 4X...)

MD = 32

XL = 36

3X = 40

5X = 44

LG = 34

2X = 38

4X = 42

Polo shirt:

Color: Your colors to choose from will be red or black. You can order a total of 2 polo shirts in any of these color combinations. The sizes are comparable to that of our reflective shirts we have ordered in the past. Please order accordingly.

Direct any and all questions to the Trainmaster's Office.

Jason E. Pruitt
Superintendent of Transportation
